Shea Concrete Products, Inc., founded in 1949, is a third generation family-owned and operated company. What began as a vision and a small company, over 60 years ago, has grown to one of the largest precast producers in the area. Our certified manufacturing facilities are state of the art with a fully computerized batch plant enabling us to maintain strict quality control measures. Despite our tremendous growth, we still adhere to the same values that our founder, Mr. Shea, established in 1949; build quality products, competitively priced, backed by unparalleled service.

Some of our Technical Services include:

- Installation of Bulkhead entrance ways.
- Provide crane installation of large Septic Tank Systems.
- Offer in house engineering for commercial and residential use.
- Fast delivery to the site and fast response to service needs.

"This is my home away from home."

--Rich Lombardo, Owner, Lombardo Building Contractors, Reading

"I am a carpenter that has used Moynihan's for the last 25 years.
I personally feel that it is the best yard around, and whether it is
rough framing or fine finish, Moynihan's runs as leader of the
pack for all aspects of construction!"
